

# Joanna T. Lau

CEO, LAU Technologies

Joanna Lau has served in corporate leadership roles for more than two decades.

Ms. Lau is currently CEO of LAU Technologies, the executive consulting and investment company she founded in March 1990. The company focuses on providing debt and equity financing and consulting to mid-range companies. Previously, she held leadership positions with Digital Equipment Corporation and General Electric.

Ms. Lau serves on several boards, including DSW, Inc., ITT Education Services, Inc., the John F. Kennedy Library Foundation and the New England Chapter of the National Association of Corporate Directors. In addition, she is the Chairperson of the British Marshall Scholarship Selection Committee and a member of the World President Organization.

For the Nellie Mae Education Foundation, Ms. Lau currently chairs the Board's Governance Committee, and also serves on the Executive Finance, Audit and Organizational Measurement committees.
